OBJECTIVE

To bring my proven skills in organ playing, choir directing, parish music coordination and music composition to a liturgical organist/choir directing position - full time or as a substitute.

SUMMARY

My background is in organ playing, choir directing, coordination parish music programs and music composition for all instruments including the organ. I have received my service playing certificate from the American Guild of Organist.

SIGNIFICANT ACCOMPLISHMENTS

Organ Playing

- * Have been an organist for over 45 years.
- * Have played for all major denominations including Catholic, Lutheran, Episcopalian, Presbyterian, Church of Christ, Methodist, Baptist, Church of Christ Scientist, and for a non - denominational church.
- * When actively working as a organist, normally gave an organ concert once a year.
- * Have given organ lessons

Choir Directing

- * For over 45 years have (on and off) directed adult choirs - containing members ranging in age from teenagers to senior citizens
- * Have also directed teenage guitar groups, and youth choirs made up of youths from the third through eight grades.

Parish Music Coordination

- * Managed and staffed worship committees which worked with lay parishioners in selecting service hymns and planning the parish liturgy.
- * I have also worked with Dr. Mario Salvadore at the St. Louis Cathedral (Catholic) in planning and executing special services for the Archdiocese of St. Louis.

Music Composition

- * Have written music for most instruments in the orchestra as well as over 100 compositions for Organ, Choir or/and Instruments. Have my own music publication company - MLB Music Publications
